

**SACRED HEART CHURCH
RENOVATION PROJECT**

**PUT YOUR NAME ON A PART OF
SACRED HEART HISTORY**

Sacred Heart Parish is in the process of renovating our summer worship space to accommodate our seasonal influx of people. We are asking for your help in order to do this. Our building project is one that will be mutually beneficial to our many visitors as well as to Sacred Heart. The entrance to our church and the walkways around the church are going to be paved with bricks and pavers.

To place an order for a brick or paver, complete the form below. Use a separate order form for each additional brick and/or paver. Bricks and pavers can be engraved with three lines, with up to 14 characters per line, including symbols and spaces.

Two lines are included in the price: a 3rd line can be purchased for an additional \$2.50.
